HIGH SCHOOL STUDENTS TAKING DIRECTOR'S CHAIR FOR "CHILDREN'S RIGHTS"

DECEMBER 16 2021

Film and law students and high school students come together for the “Children’s Rights and Cinema Workshop”, held in cooperation with universities and high schools. In the workshop, which will start on December 23, high school students will shoot films about children’s rights.

THEY WILL TAKE MENTOR TRAINING FIRST

The “Children’s Rights and Cinema Workshop” will be held in cooperation with Istanbul Gelisim University Faculty of Economics, Administrative and Social Sciences and the Faculty of Law of a private university. In the workshop, which will start on December 23, students from the relevant departments of both universities will be given mentoring training on the subject. After the training organized to raise awareness of children’s rights and to raise awareness of young people, university students will hold workshops at the state high

schools determined in February 2022. As the output of the workshops, high school students will be asked to produce a one-minute film on children’s rights with their mobile phones. The implementation work will be done under the supervision of mentor students. The first workshop will be held in February 2022, the second will be held in May 2022. After the completed workshops, both mentor students and participating high school students will be given certificates at a ceremony.

THINGS TO KNOW

ABOUT NEW CORONAVIRUS

All necessary measures are taken for the **coronavirus** revealed in Turkey and the World at **Istanbul Gelisim University**. **Things to know about coronavirus are as follows:**

What are the new coronavirus symptoms?

- The most common symptoms are **fever, cough and respiratory distress**.
- In severe cases, **pneumonia, severe respiratory failure, kidney failure and death** may occur
- Incubation period is between **2 and 14 days**.

How is the virus transmitted?

- It can be transmitted by the contact of the droplets caused by **coughing and sneezing** with the contact of the **mouth, nose and eyes** of other individuals in certain environment and by touching the surfaces where the droplets adhere and taking hands **into the mouth, nose or eyes**.

What to do to be protected from the virus?

- When **coughing or sneezing**, the mouth and nose should be covered with a **disposable tissue**, if there is no handkerchief, the mouth should be closed with the **upper sleeve or elbow**, not with the palms.
- **Handshaking and hugging** should be avoided.
- **Mouth, nose and eyes** should not be touched with dirty hands.
- Hands must be washed for **at least 20 seconds** in accordance with the **Handwashing Instructions** found in the toilets. In the absence of water and soap, **alcohol-containing hand antiseptics** should be used. **Cologne of 70-80 degrees** also serve as disinfectants.
- Offices and classrooms must be **ventilated hourly**.
- Places frequently used by many people such as common areas and door handles should be **disinfected every 2 hours**.
- Hands **must be washed** after using **public transportation**.
- Because the virus progresses faster in people with low immune system; **a balanced and healthy diet** is required. Foods **must be washed thoroughly** before consumption.

What to do if there are symptoms?

- If you have come from countries with infections **in the past 14 days**, apply to the **nearest healthcare facility** by wearing **a surgical mask**.
- If you are **coughing, have a fever and have difficulty at breathing**, apply to the **nearest healthcare facility** by wearing **a surgical mask**.
- **Always wear your mask** when you are in the same room with **a person who is recommended insulation** at home.

PROTECTION AGAINST VIRUS IS IN OUR HANDS

THE MOUTH AND NOSE SHOULD BE CLOSED WITH PAPER TOWEL DURING COUGHING AND SNEEZE. IF YOU DO NOT HAVE ANY WIPE, THE INSIDE OF THE ELBOW SHOULD BE USED.
