10 KEY POINTS FOR EFFECTIVE COMMUNICATION IN A JOB INTERVIEW

APRIL 19

2022

The job interviews have a structure that may affect the lives of individuals at an important degree. **The Academic Member Dr. Zeynep Burcu Şahin**, who said that the job interviews may be fruitful and effective upon acquirement of experience on effective communication, **told about what should be done and not done at an interview in 10 steps.**

In the first meeting with someone else, an opinion is formed up in a short period of time. The individual, most of the time, may not know about the source of this opinion. The brain analyses and transmits various numbers of matters from the body language up to the way of dressing, accessories used and tone of voice felt of the person standing in face of it.

“NO FALL IN THE NUMBERS OF TOURISTS DUE TO COME FROM RUSSIA”

APRIL 22

2022

The Academic Member Dr. Dilbar Guliyeva from the Department of Tourist Guiding of the Istanbul Gelişim University, who made some evaluations within the framework of the Tourism Week with relation to the future of tourism, Ramadan Feast and War between Ukraine-Russia, **indicated that the Ramadan Feast would bring activity in the domestic arena (market).**

While the world is giving a hard challenge against the Covid-19 epidemic on the one hand, the eyes keep on focusing on the effects, created by the War between Ukraine-Russia, on the other. It is an issue of concern whether there would be a decrease in the numbers of incoming tourists together with the effects of the war of Russia that creates an important source of tourists especially for our country.
