NEWS

The 'corona jobs' of the pandemics

JANUARY 17

2021

While the coronavirus epidemic shook and shrank the world economies on the one hand, it also caused many people to be unemployed. However, during this period, there were also those who turned the coronavirus crisis into an opportunity. According to research, new job opportunities emerged during the coronavirus period. Some of those professions were Traveling Hairdressers, Home Personal Trainers and Boutique Mask Designers.

The pandemic period shook the whole world and caused many people to be unemployed. However, some people turned the crisis that occurred during the pandemic period into an opportunity. According to the research conducted by George Washington University Economist Steven Hamilton, the pandemic period has created new job opportunities. Some of the new professions that emerged according to the research were Traveling Hairdressers, Personal Trainer at Home and Boutique Mask Designers.

emerged according to the research were Traveling Hairdressers, Personal Trainer at Home and Boutique Mask Designers.

Warning to parents from the expert: Read the same books as your children

JANUARY 21

2021

Speaking at the event organized by the Istanbul Fuat Sezgin Science and Art Center within the framework of the “Parent Academy Project” aimed at improving the school-parent cooperation of the Ministry of National Education (MEB), Asst. Prof. Dr. Pelin Ekşi said: “Reading for the family should be organized. Families should read the same books with their children, talk about them and create a conversation environment.”

Supporting the Ministry of National Education Parent Academy Project, Asst. Prof. Dr. Pelin Ekşi, Head of the Department of Turkish Language and Literature from Istanbul Gelisim University, gave advice to teachers and

parents about making students gain reading habits with an online event.

Semester advice for YKS candidates: Let your goal be your source of motivation

JANUARY 22

2021

The 2021 Higher Education Institutions Exam (2021-YKS) will be held on June 26 - 27, according to the examination calendar announced by the Assessment, Selection and Placement Center (ÖSYM). According to the information in the MEB's education calendar, the semester break starts on Monday, January 25, 2021. Educator Abdülkadir Gayretli advising university candidates who want to spend the 3-week semester holiday efficiently due to the pandemic, said: "Your goal will be your source of motivation."

Underlining that the candidates who are preparing for the university must create a course program, Abdülkadir Gayretli, Chairman of the Board of Trustees of Istanbul Gelisim University, said: "Be careful to comply with your schedule. Instead of buying a ready-made program online, create your own.

Make sure that your schedule is suitable for your own situation and time. Write your goal on the sheet of your program. Your target will be your motivation source."

THINGS TO KNOW

ABOUT NEW CORONAVIRUS

All necessary measures are taken for the **coronavirus** revealed in Turkey and the World at **Istanbul Gelisim University**. **Things to know about coronavirus are as follows:**

What are the new coronavirus symptoms?

- The most common symptoms are **fever, cough and respiratory distress**.
- In severe cases, **pneumonia, severe respiratory failure, kidney failure and death** may occur
- Incubation period is between **2 and 14 days**.

How is the virus transmitted?

- It can be transmitted by the contact of the droplets caused by **coughing and sneezing** with the contact of the **mouth, nose and eyes** of other individuals in certain environment and by touching the surfaces where the droplets adhere and taking hands **into the mouth, nose or eyes**.

What to do to be protected from the virus?

- When **coughing or sneezing**, the mouth and nose should be covered with a **disposable tissue**, if there is no handkerchief, the mouth should be closed with the **upper sleeve or elbow**, not with the palms.
- **Handshaking and hugging** should be avoided.
- **Mouth, nose and eyes** should not be touched with dirty hands.
- Hands must be washed for **at least 20 seconds** in accordance with the **Handwashing Instructions** found in the toilets. In the absence of water and soap, **alcohol-containing hand antiseptics** should be used. **Cologne of 70-80 degrees** also serve as disinfectants.
- Offices and classrooms must be **ventilated hourly**.
- Places frequently used by many people such as common areas and door handles should be **disinfected every 2 hours**.
- Hands **must be washed** after using **public transportation**.
- Because the virus progresses faster in people with low immune system; **a balanced and healthy diet** is required. Foods **must be washed thoroughly** before consumption.

What to do if there are symptoms?

- If you have come from countries with infections **in the past 14 days**, apply to the **nearest healthcare facility** by wearing a **surgical mask**.
- If you are **coughing, have a fever and have difficulty at breathing**, apply to the **nearest healthcare facility** by wearing a **surgical mask**.
- **Always wear your mask** when you are in the same room with **a person who is recommended insulation** at home.

PROTECTION AGAINST VIRUS IS IN OUR HANDS

THE MOUTH AND NOSE SHOULD BE CLOSED WITH PAPER TOWEL DURING COUGHING AND SNEEZE. IF YOU DO NOT HAVE ANY WIPE, THE INSIDE OF THE ELBOW SHOULD BE USED.

CLOSE CONTACT SHOULD AVOID LIKE HANDSHAKE AND HUGGING.

IT SHOULD BE STAYED AWAY FROM CROWDED ENVIRONMENTS.

DO NOT TOUCH THE MOUTH, NOSE AND EYES WITH DIRTY HANDS.

HANDS MUST BE WASHED WITH WATER AND NORMAL SOAP FOR AT LEAST 20 SECONDS.

ALCOHOL CONTENT HAND ANTISEPTICS SHOULD BE USED IN CASE OF THERE IS NO WATER AND SOAP.
