### The counseling meetings of the candidates continue one day before the exam

JUNE 25

2021

Higher Education Institutions Exam (YKS) will be held this weekend. Counseling meetings organized by universities before the exam, which will be attended by 2.6 million people, continue until the last moment. In the online interviews, guidance and promotion experts answer the questions of the candidates on many subjects such as the exam system, the selection process and the opportunities of the universities.

Candidates who want to get information on many subjects such as anxiety and motivation, exam system, career choice, came together with Istanbul Gelisim University's "Guidance Experts". Candidates who want to get information about scholarships, Erasmus program, accreditation, university campuses, quotas, base scores and opportunities of universities will continue their online meetings with "Educational Consultants and Promotion Specialists" after the exam.

You can visit [www.gelisim.edu.tr](http://www.gelisim.edu.tr) to see the detailed news.

### Applications for the story competition on Yunus Emre started

JUNE 28

2021

Applications for the short story contest titled "Living Like Yunus in the 21st Century: Tolerance, Dedication, Patience, Love" have started. All short stories to be written with the themes of "tolerance, patience, self-sacrifice and love" from Yunus Emre's teachings are accepted within the scope of the competition.

Due to the 700th anniversary of his death, 2021 has been declared as the year of commemoration of Yunus Emre by the United Nations Educational, Scientific and Cultural Organization (UNESCO). With the Presidential circular, it has been decided that 2021 is the Year of Yunus Emre and Turkish language. Istanbul Gelisim University, Faculty of Economics, Administrative and Social

Sciences, Turkish Language and Literature Department organizes a short story competition, which makes students think about how to live by taking Yunus Emre as a guide during the global epidemic.

**Gökkuşığı College graduates IB students for the fifth time**

JUNE 28

2021

Graduating its first Turkish and foreign students group in the International Baccalaureate Diploma Program in 2017, Gökkuşığı College held the 5th International Baccalaureate (IB) graduation ceremony.

The graduation ceremony held at Gökkuşığı College Bahçelievler Campus started with a moment of silence and the singing of the National Anthem. The opening speech of the ceremony was made by the Chairman of the Board of Gökkuşığı College, Abdülkadir Gayretli. This year, girls ranked the first, second and third places in the school, which happened for the first time.

**Advice for university candidates:  
Choose the profession that will make you happy for life**

JUNE 29

2021

The university exam marathon, which lasted for two days, is over. Candidates are now waiting for the YKS results to be announced on August 4. Making suggestions to the candidates for the next period, Counseling Specialist Elif Aluç Gülşen stated that the departments should be started to be researched. Gülşen said, "Candidates should invest in themselves and choose the departments that are suitable for them. They should do the jobs that will make them happy for the rest of their lives."

Stating that university promotions will be carried out online due to the coronavirus epidemic, from Istanbul Gelisim University Guidance Specialist Elif Aluç Gülşen said, "Candidate students can communicate with the

lecturers of the departments they are interested in during the promotional days broadcast live on the social media accounts of the universities."

# THINGS TO KNOW

## ABOUT NEW CORONAVIRUS

All necessary measures are taken for the **coronavirus** revealed in Turkey and the World at **Istanbul Gelisim University**. **Things to know about coronavirus are as follows:**

### What are the new coronavirus symptoms?

- The most common symptoms are **fever, cough and respiratory distress**.
- In severe cases, **pneumonia, severe respiratory failure, kidney failure and death** may occur
- Incubation period is between **2 and 14 days**.

### How is the virus transmitted?

- It can be transmitted by the contact of the droplets caused by **coughing and sneezing** with the contact of the **mouth, nose and eyes** of other individuals in certain environment and by touching the surfaces where the droplets adhere and taking hands **into the mouth, nose or eyes**.

### What to do to be protected from the virus?

- When **coughing or sneezing**, the mouth and nose should be covered with a **disposable tissue**, if there is no handkerchief, the mouth should be closed with the **upper sleeve or elbow**, not with the palms.
- **Handshaking and hugging** should be avoided.
- **Mouth, nose and eyes** should not be touched with dirty hands.
- Hands must be washed for **at least 20 seconds** in accordance with the **Handwashing Instructions** found in the toilets. In the absence of water and soap, **alcohol-containing hand antiseptics** should be used. **Cologne of 70-80 degrees** also serve as disinfectants.
- Offices and classrooms must be **ventilated hourly**.
- Places frequently used by many people such as common areas and door handles should be **disinfected every 2 hours**.
- Hands **must be washed** after using **public transportation**.
- Because the virus progresses faster in people with low immune system; **a balanced and healthy diet** is required. Foods **must be washed thoroughly** before consumption.

### What to do if there are symptoms?

- If you have come from countries with infections **in the past 14 days**, apply to the **nearest healthcare facility** by wearing a **surgical mask**.
- If you are **coughing, have a fever and have difficulty at breathing**, apply to the **nearest healthcare facility** by wearing a **surgical mask**.
- **Always wear your mask** when you are in the same room with **a person who is recommended insulation** at home.

## PROTECTION AGAINST VIRUS IS IN OUR HANDS

THE MOUTH AND NOSE SHOULD BE CLOSED WITH PAPER TOWEL DURING COUGHING AND SNEEZE. IF YOU DO NOT HAVE ANY WIPE, THE INSIDE OF THE ELBOW SHOULD BE USED.
