Klaus Animation

We watched the Klaus animation in the conference hall of our school on December 22. It was a fun outside classroom activity beside learning English.

Inside Out Animation

Klaus an Oscar-nominated tale: a simple act of kindness always sparks another, even in a frozen, faraway place. When Smeerensburg's new postman, Jesper, befriends toymaker Klaus, their gifts melt an age-old feud and deliver a sleigh full of holiday traditions.

Our Staff's Academic Activities

Webinars

Webinars and events take place on a regular basis because the need for being up to date when it comes to teaching in the 21st century, makes seminars an inseparable part of professional development. For a detailed list of webinars on English language teaching, you can visit the following website:

Our School On Social Media

As always, our school was very active on social media to announce important events or celebrate public or national and international holidays. Here, we will take a look at some of them without any explanation because sometimes a picture is worth a thousand words!
