LATEST NEWS FROM IGU

The Project Activities Promotion Event was organized by the Social Responsibility Application and Research Center of our university at the Tower Firnas Auditorium in order to increase the awareness of the society and to emphasize the value of social responsibility projects.

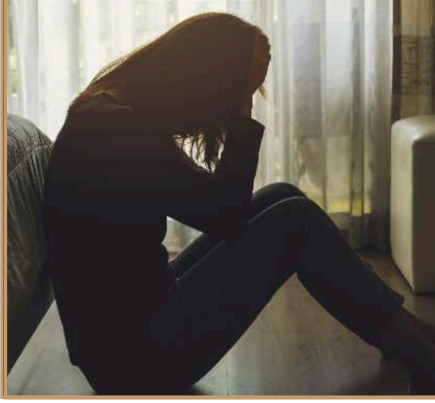

In the event where participants from different public institutions and organizations took part, SSUAM Deputy Directors **Asst. Prof. Dr. Esat Dasedemir** and **Asst. Prof. Dr. Emrah Tuncer** conveyed the vision, mission and activities of the center to the participants. In the presentations made specifically for the EU Erasmus projects Creativity with MBCT and EU-RUDISNET which the center undertakes and is coordinated by SSUAM Director **Asst. Prof. Dr. Melike Cetin**, it is explained how these projects contribute to the society and what social problems they bring to solutions. From the event, attention was drawn to the importance of social responsibility activities not only in individual or social sense, but

Lect. Muhammet Ceylan, from the Istanbul Gelisim Vocational School Construction Technology attended in the research carried out in the Kahramanmaraş earthquake region within the scope of the 'Research and Training Complex for Developing Disaster Resistant Societies' of GTU Marmara Application and Research Center for Disaster Resistant Buildings (MARTEST) and Japan International Cooperation Agency (JICA). In the research, which aims to reveal the behavior of people during and after the earthquake, the earthquake victims were interviewed and the container cities in the region were examined.

PSYCHOLOGICAL FATIGUE MAY BE THE REASON YOU FEEL TIRED ALL THE TIME!

22 AUGUST 2023

We often hear the phrase “I feel exhausted all the time, I have no energy for anything” in daily life. Napping at work or school and not being able to lift oneself off the couch when going home may be “Psychological fatigue”. Psychologist **Res. Asst. Simay Yilmaz** stated that stress is at the source of these factors. Stressful work environment and relationship problems in private life can also cause psychological fatigue and negatively affect daily life.

IGU, WHICH GIVES FULL SUPPORT TO SUSTAINABILITY STUDIES, WAS ENTITLED TO RECEIVE A “ZERO WASTE CERTIFICATE!”

28 AUGUST 2023

Istanbul Gelisim University (IGU), which carries out studies within the scope of the “Zero Waste Project” initiated by the Ministry of Environment, Urbanization and Climate Change, has also demonstrated its quality in education with its sensitivity to sustainability. “Zero Waste Certificate” was given to Istanbul Gelisim University by the Ministry of Environment, Urbanization and Climate Change, which set out with the slogan of “zero waste for a livable world”. Aforementioned institution aims to prevent waste, use resources more efficiently, prevent waste generation by reviewing the causes of waste generation; collect waste separately at its source and ensure its recovery in case of waste generation.
