On January 4th, Thursday, at 14:00, **Asst. Prof. Dr. Ali Semin**, a faculty member from the Department of International Relations and Political Science at the Faculty of Economics, Administrative, and Social Sciences, conducted an event titled "Regional Factors: Political Dynamics Between Turkey and Iraq, Legacy of the Ankara Agreement" at the Conference Hall of the Faculty of Political Sciences at Marmara University.

The short films prepared by students under the leadership of Dr. Erdem Türkavcı, the instructor of the "Short Film Production" course in the Department of Radio, Television, and Cinema at the Faculty of Economics, Administrative, and Social Sciences, were presented to the audience in a special event held at Cep Sineması.

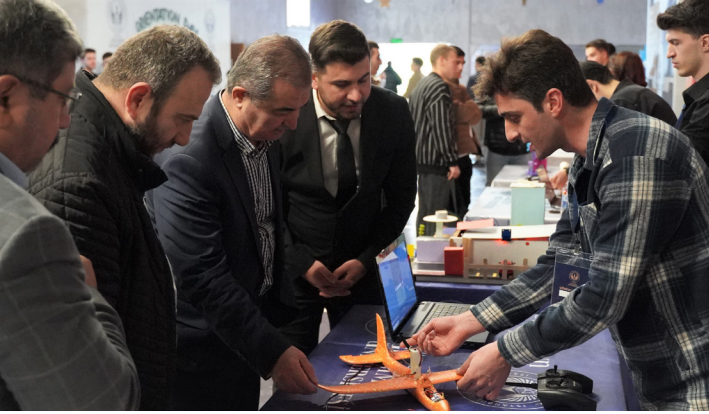

The event was attended by faculty members from the Department of Radio, Television, and Cinema, including Asst. **Prof. Dr. Özlem Tuğçe Keleş**, **Asst. Prof. Dr. Güler Canbulat**, and **Research Assistant Bilge İpek**, as well as Research Assistant Ece Demirkapu from the Advertising Department. During this special screening, the students' short films were evaluated by experienced academicians and experts in the field.

Ayten Bengisu Cansever, Research Assistant in the Department of Communication and Design at the Faculty of Fine Arts, was honored with the "Rising Academician" Award at the 19th International Conference on Interdisciplinary Social Sciences.

The Faculty of Health Sciences, Department of Health Management, organized an event titled "Development of Quality in Healthcare on the 100th Anniversary of the Republic." Among the speakers at the event were **Assoc. Prof. Dr. Ali Arslanoğlu** and the artist **Aykut Karlı**.

At the event, current developments in the field of health management and the development of the understanding of quality in health, specifically for the 100th anniversary of the Republic, were discussed in detail.

36 projects of Istanbul Gelisim University, Aviation Electrical and Electronics and Electrical and Electronics Engineering Department students met with students and academicians at the "Electronic Circuits Project Exhibition".

IGU SCIENTISTS CONTINUE TO STAND OUT IN NATIONAL AND INTERNATIONAL RANKINGS!

4 JANUARY

2023

En Yüksek %10'luk Dilimde Atıf Alan Yayın Sayısı

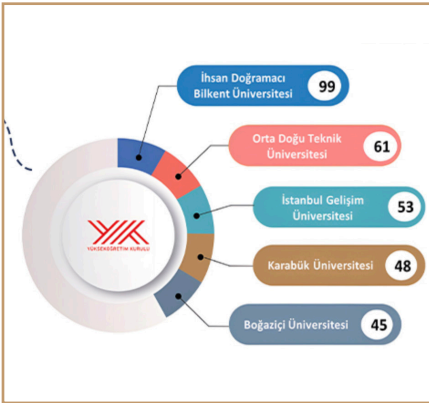

Istanbul Gelisim University (IGU) has been prominently featured in the “World's Most Influential Scientists” list compiled annually by Stanford University and in the rankings of “Top Scientists in the World and Countries” by Research.com, one of the leading research and academic portals globally. Additionally, in the “University Monitoring and Evaluation General Report-2023” prepared by the Council of Higher Education (YÖK), IGU secured its success in the category of “Number of Publications Receiving Citations in the Top 10%”. When considering universities' historical data, IGU emerged as one of the top three universities consistently showing improvement in this category.
