THE EFFECT OF PHENOMENON DOCTORS ON MEDICAL TOURISM IS GREAT!

9 MAY

2023

When we think medical tourism, Turkey is among the first countries that come to mind. As in many areas, social media platforms have an essential position in medical tourism. Medical tourists can also choose from social media applications by doing research. **Lect. Zeynep Özcan** stated that the phenomenon doctors have had a great impact on medical tourism by capturing the target audience with the sincere bond they have established.

GLUTEN-FREE DIET MUST BE PROVIDED FOR CELIAC PATIENTS IN NATURAL DISASTER SITUATIONS!

11 MAY

2023

Students of Istanbul Gelisim University, Faculty of Applied Sciences, Public Relations and Advertising Department signed an extremely important situation with the slogan “Do not Let Celiac Become a Second Natural Disaster” on 9 May 2023 World Celiac Day. Within the scope of the social responsibility project, issues such as what celiac disease is, the diet of celiac individuals, how to coordinate the needs of celiac individuals in natural disasters, and how non-governmental organizations, especially government institutions, should act proactively on this issue were discussed. Ankara Celiac Association President **Mehmet Tarriseven** stated that gluten-free diet must be provided for celiac patients in natural disaster situations.
