DO NOT LIE TO CHILDREN WHILE TALKING ABOUT 'DEATH'!

9 JUNE

2023

The concept of death is very difficult for many people to talk about, understand and accept. When it comes to children, dealing with and making sense of this situation leads to an even more difficult process. Child and Adolescent Psychiatrist **Asst. Prof. Dr. Deniz Yıldız**, who stated that children's perceptions and understandings of the concept of death differ according to their developmental level, also added death should be explained to the child in simple language, without lying, and that the deceased will not come back anymore.
